Nick Altomare has been a proven producer in the San Antonio market area for 26 years. His experience includes project leasing, tenant representation, surplus property disposition, as well as facilitating numerous investment property sales.

Prior to joining Endura, Nick was a principal with United Commercial Realty (UCR) where he was a consistent recipient of their "Top Producer Award". He has been responsible for leasing numerous premier shopping centers and representing a host of national retailers. His communication skills, work ethic, reputation, commitment and above all, his integrity are Altomare's keys to success.
