construction management

facilities management

Barbara Beighley is a seasoned real estate professional with over 20 years experience in commercial real estate management. She has concurrently managed over 2.0 million square feet of commercial property including industrial warehouse, service center, office, retail and medical buildings.

Barbara has been involved in construction management for owner developers such as The Rouse Company and the Edward J. DeBartolo Company, working on regional mall expansions, and an urban festive marketplace, as well as the development of River Center Mall. She has also managed significant capital and tenant improvement projects.

For six years, Barbara was involved in facility management for Bank of America, handling a full range of real estate services for 70 bank locations in Texas with responsibilities expanding to include oversight of all Texas and New Mexico bank facilities. Barbara also worked with the City of San Antonio, Department of Asset Management, for three years, assisting with special real estate projects including lease agreements for historical City buildings.
