17 years experience

office administration

investment sales

project leasing

tenant representation

property management

Dalia has worked in commercial real estate for the past seventeen years in the San Antonio and South Texas market. Serving initially in property management, Dalia was an assistant property manager responsible for 300,000 square feet. Most recently, Dalia provided investment services support and was responsible for marketing and administrative support for a national commercial real estate firm. Dalia assisted in the disposition of commercial real estate assets totaling over \$80,000,000.

Dalia is responsible for the firm's daily office functions, office management, accounts payable, human resources, employee relations and for the marketing and administrative support on commercial properties. Her diverse background and experience in commercial real estate allows her to assist in all areas of the firm.

A San Antonio native, Dalia is married with two children. She is a committed team player, dedicated to outstanding results for our clients.
